

General membership Meeting Minutes
TMTC
January 29, 2005

Meeting was called to order by Paul Beidelman.

Paul delivered a 'State of the Mountain' summary of recent activities and up coming events.

Gary Hazel, in his trail committee report, reported the work week end will be April 16. There are many trails available for adoption. Please record your volunteer work hours in the volunteer work book. The state reimburses TMTC at the rate of \$10/hour for volunteer hours as part of our 20% match on grants.

The equipment committee reported that a bulldozer was ordered. The next equipment check out class is April 16. Jack asked for help hauling hay up to the Mountain.

The GNCC motorcycle race is February 12.

The Leadership and Land Stewardship conference is now scheduled for June 23 to 26 in the Dallas area.

We are aggressively pursuing a second property.

We discussed the future of the newsletter including electronic, print and a combination of the two. A new Wheels of Progress editor, Danielle Mulkey who is a TMTC member, has been hired.

The need for a food concession was also discussed.

The meeting was adjourned and a raffle was held.
